

## Don't miss your chance to invest!

Youth Entrepreneurs need your support to grow their business. Through a one-time contribution or on-going support, you can help our young business owners transform their ideas into solid business ventures.

Here are four ways you can help:

\_\_\_ **become a Monthly Subscriber:** have a sweet tooth for sweets? Or are you (or a loved one) a fashion diva who likes to sport the latest bling? A contribution of \$20/month will bring you the latest fresh-baked delight or hand-crafted jewelry.

\_\_\_ **become an Entrepreneurship Club Underwriter:** a monthly commitment or one-time donation will bring much-needed capital to the training of our young entrepreneurs and the development of their businesses - and provide you or your business with exposure on our website and other promotional materials. (suggested donation levels: \$50 / \$100 / \$250)

\_\_\_ **become a Club Consultant:** do you know a perfect venue for selling Cookie Monsterz creations or Dynamic Arts fashions? Do you want the Money Maker\$ to make their mark on an event or promotional need of yours? Or do you have a venture idea and are willing to help us develop that into a new club? Talk to our youth and staff about lending your expertise.

\_\_\_ **make an Unrestricted Donation:** As with any "business", the success of the Entrepreneurship Clubs and the youth who've created them comes from the dedication of the staff, interns and volunteers who work with the youth every day throughout the year. Your monthly pledge or one-time donation in support of the Hyde Square Task Force will ensure that all our youth have the resources they need to thrive.

Thank you for your support!
