Blessed Sacrament Church  
Developer Proposals - Community Feedback

September 30, 2021

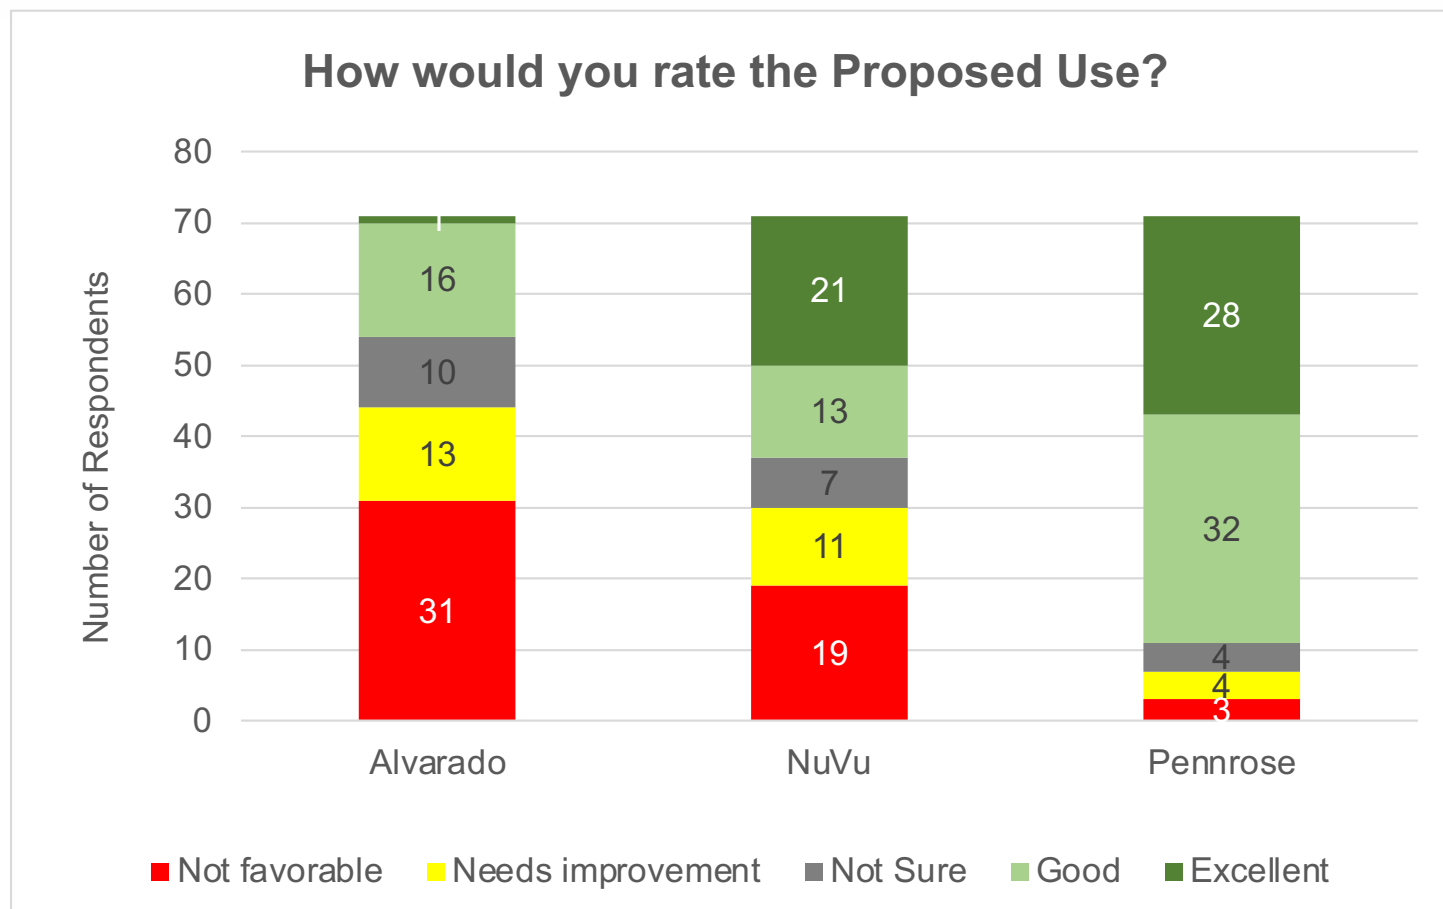

# Survey

- A Community survey was made available through different mediums to obtain written feedback on the Blessed Sacrament Church three developer proposals from **Alvarado, NuVu, and Pennrose**
- As of 1:30 pm on September 30<sup>th</sup>, **71** surveys were completed
- The Survey focused on 5 questions:
  1. **How would you rate the Proposed Use?**
  2. **How would you rate the Community benefit?**
  3. **How would you rate the Design?**
  4. **Which proposal sufficiently addresses access to Outdoor Space?**
  5. **Which Proposal I support?**
- The next pages summarize the results of the Surveys received to date.

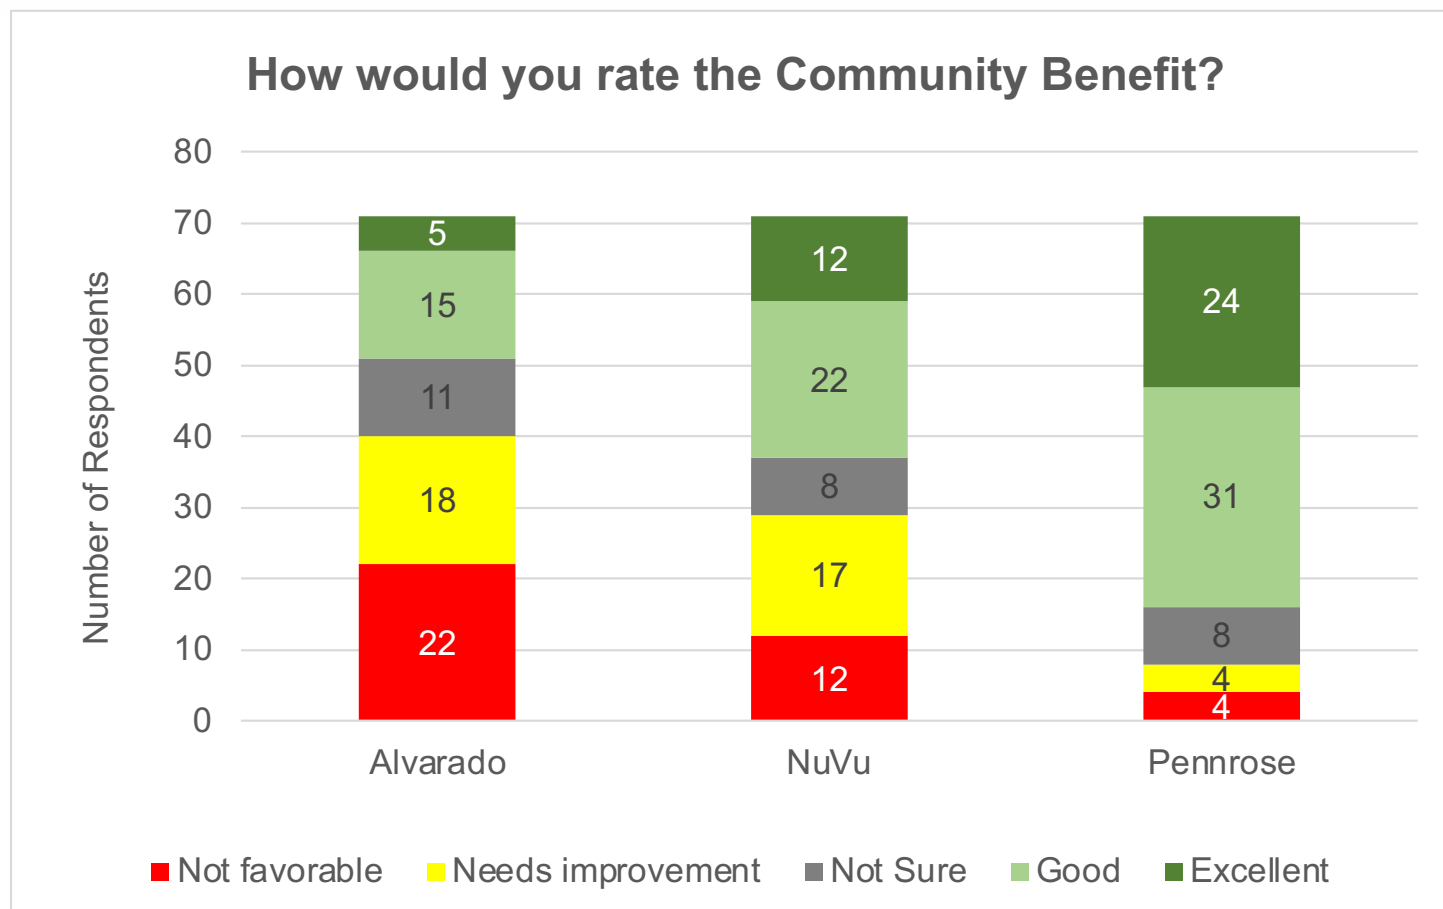

## Survey Results | Proposed Use

Respondents rated the proposed use of the Pennrose development as most favorable, next NuVu, whereas the Alvarado development is viewed as the least favorable

## Survey Results | Community Benefit

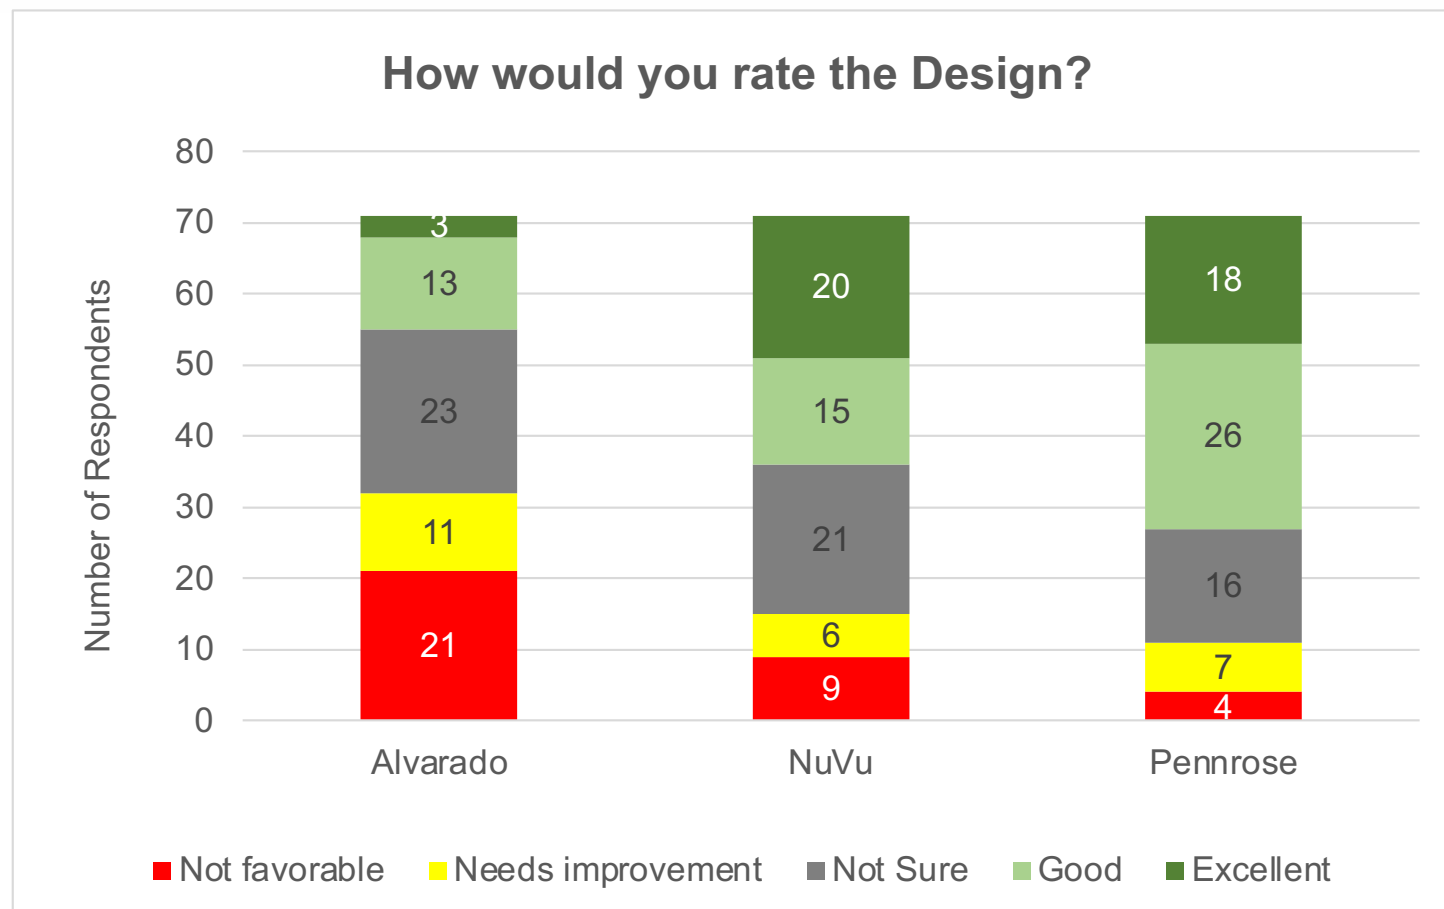

Respondents believe the proposed performance and community space under the Pennrose proposal is the most beneficial, next NuVu, whereas the Alvarado proposal is the least favorable

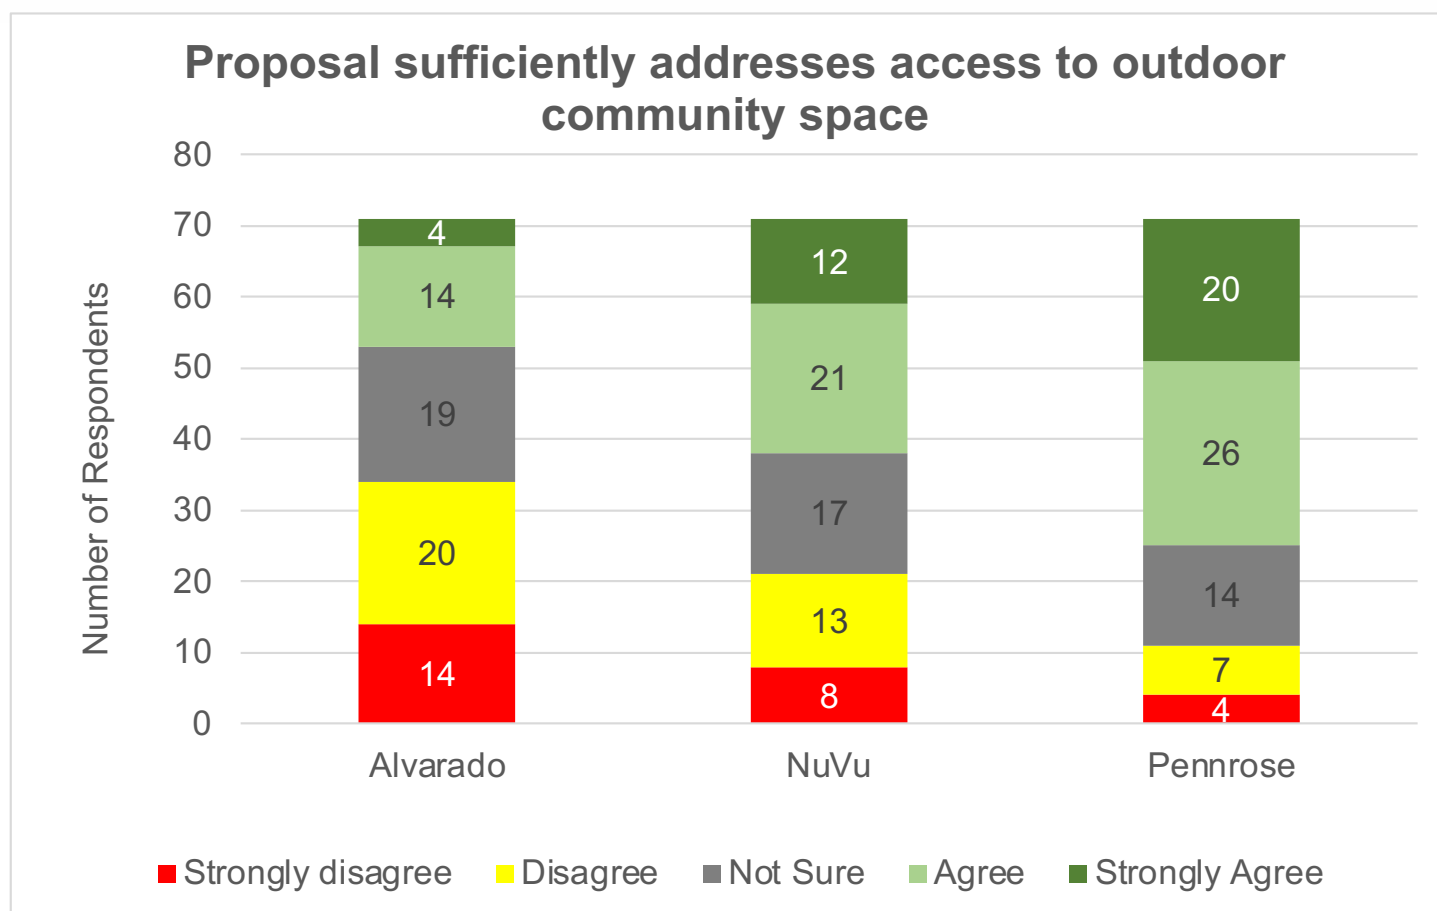

## Survey Results | Design

Respondents view the design of the Pennrose proposal as the best offering, followed by the NuVu proposal, whereas the design of the Alvarado space is viewed as the least favorable

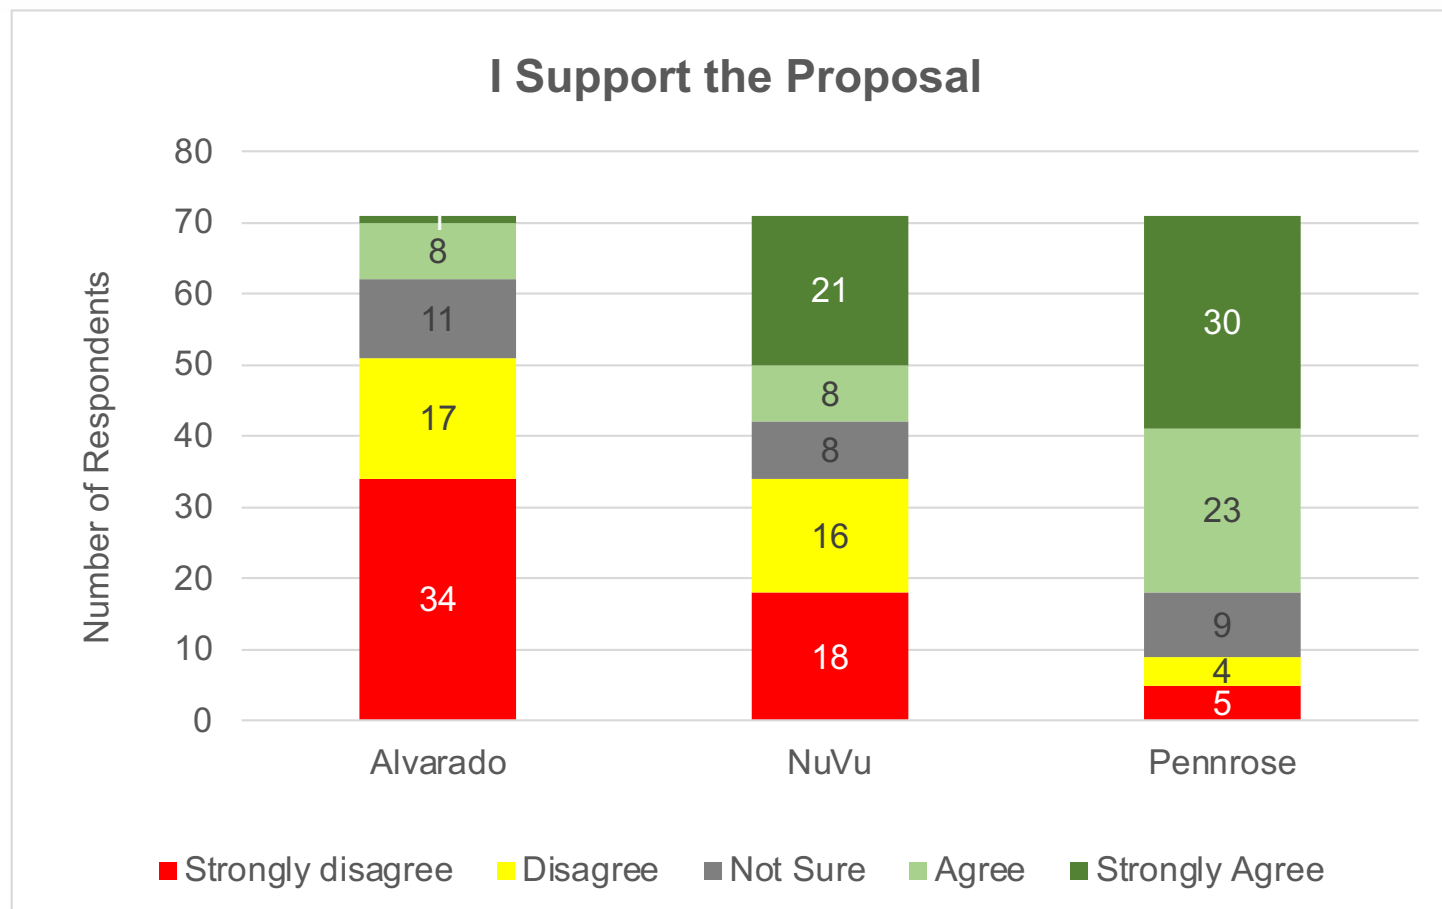

## Survey Results | Outdoor Community Space

Respondents believe the Pennrose proposal most sufficiently addresses access to outdoor community space, followed by NuVu, whereas the Alvarado proposal offers the least sufficient outdoor space

## Survey Results | Proposal Support

The Pennrose development received the most support from respondents, followed by NuVu, whereas the Alvarado development received the least support from respondents

# Survey Results
